YOUR VOICE AT WORK

Say NO to Westfield Parking Rip-off!

Petition to the Brisbane City Council

We demand Brisbane City Council immediately takes the strongest action possible to stop Westfield from charging a fee for shoppers and staff to park on carparking spaces which have previously been approved by Council at Westfield Shopping Centres.

PAY TO WORK OUTRAGE!

SDA Secretary, Chris Ketter says ...

Westfield Chermside staff now have to pay to park at work. Carindale staff have been informed they will be paying from March 2012. If this is allowed to continue, the trend could spread to Westfield centres throughout Brisbane. This could force thousands of staff to pay a daily toll just to do their job. **Help fight the Pay to Work outrage by signing this petition.**
